Travels up to 1.8 m
with 2 stops

Savaria® Multilift VPL

RELIABLE AND EASY ACCESS

Gain convenient, easy and reliable access with the Savaria Multilift, vertical platform lift. The Multilift easily accommodates a wheelchair with a capacity of up to 340 kg. Built with durability in mind, the Multilift is up for the challenge of tough climate conditions. You can count on this lift for reliable performance and ease of operation. An ideal deck lift for home use, the Multilift is approved for certain commercial accessibility projects as well.

 **savaria®**

Savaria® Multilift VPL

RELIABLE AND EASY ACCESS

- ACME screw drive with back-up nut for strength and precision of movement
- Self-supporting base and tower structure houses mechanical components
- Travels safely and smoothly at .04 m/s
- Handles up to 340 kg with 1070 mm side guard panels
